have received, read, understand and **accept** the SGPC Policies regarding hours of volunteer service to the club and recommendation or requirements for being enrolled in a regular lesson program as listed below:

1. Each Family is expected to provide no less the 30 hours of volunteer service to the club over the course of the year. If unable to provide these hours at Mandatory activities we agree to find a replacement(s) to fulfill our family's obligation that has met with the DC approval in advance or request the DC to provide replacement volunteer job to fulfill our obligation. We understand that if we fail to comply, the member's ability to participate at PC activities may be adversely affected and renewal of membership may be denied for the following year.

2. We acknowledge that SGPC strongly encourages or has required (at the discretion of the DC) members to be part of a regular lesson program in addition to mounted meetings, preferably with Pony Club knowledgeable instructors (list provide upon request). We understand that if we are unable to comply, the ability to participate in mounted lesson, PC activities and ratings may be encumbered until such lessons can be secured. The DC retains the right at any time to withdraw members from mounted activities if either the member or other participant's safety is in jeopardy or behavior is too distracting for the instructor to continue with the lesson.
